

Participants Guide

1. Listen to Oral Talk

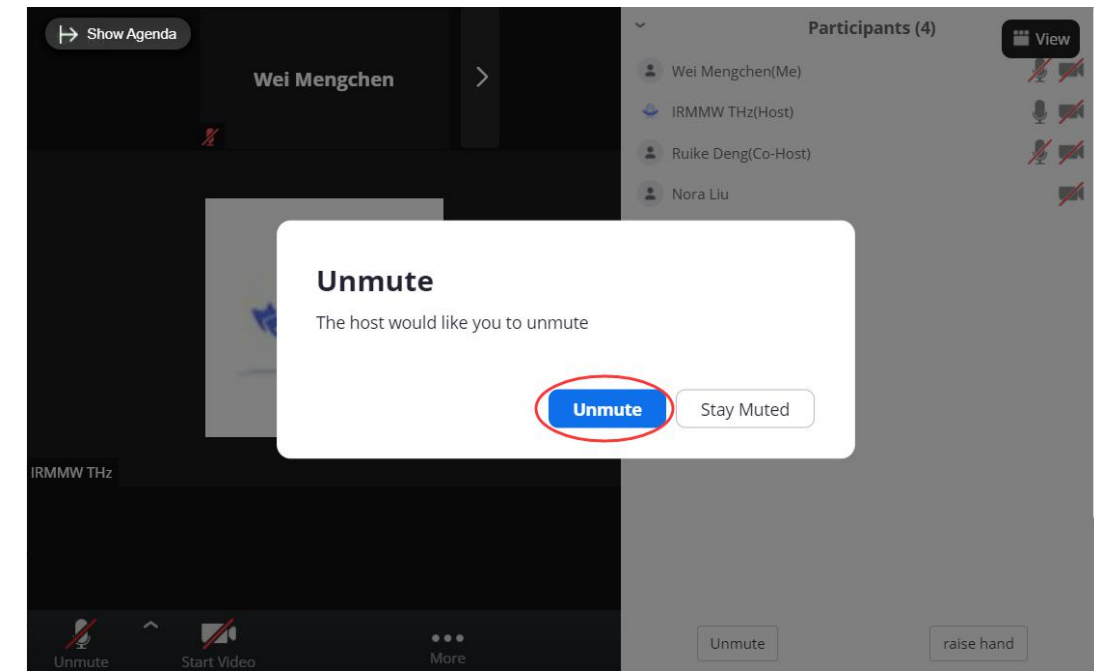

- You can click “**Sessions**” in the sidebar, and you will see the agenda of the whole conference.
- If you want to participate in one of these sessions, you can select the exact date to choose from. Then you can click “**View Session**” to join in the livestream.
- After entering the Zoom Meeting room(session room), please make sure your microphone has been **muted**

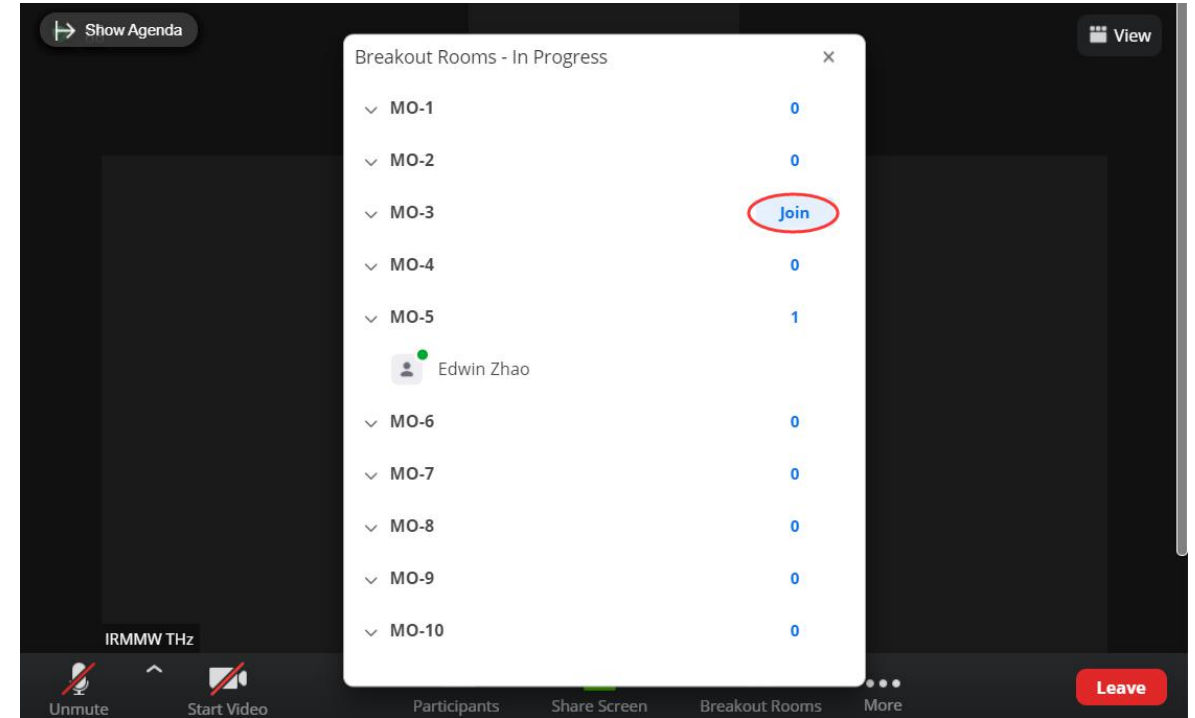

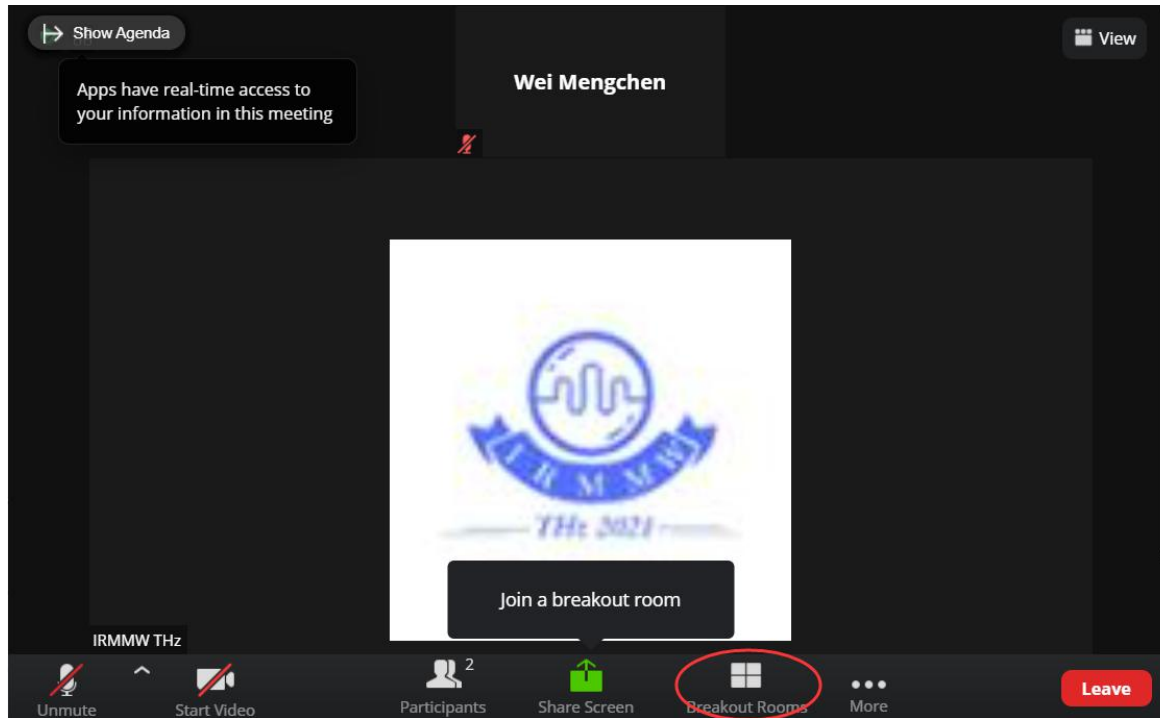

- In the Q&A section, if you want to ask questions, please click the “Participants” and choose “**raise hand**”.

- When the Session Chair notices your request, he/she will ask you to unmute the microphone. Choose “**Unmute**” and then you can start talking.

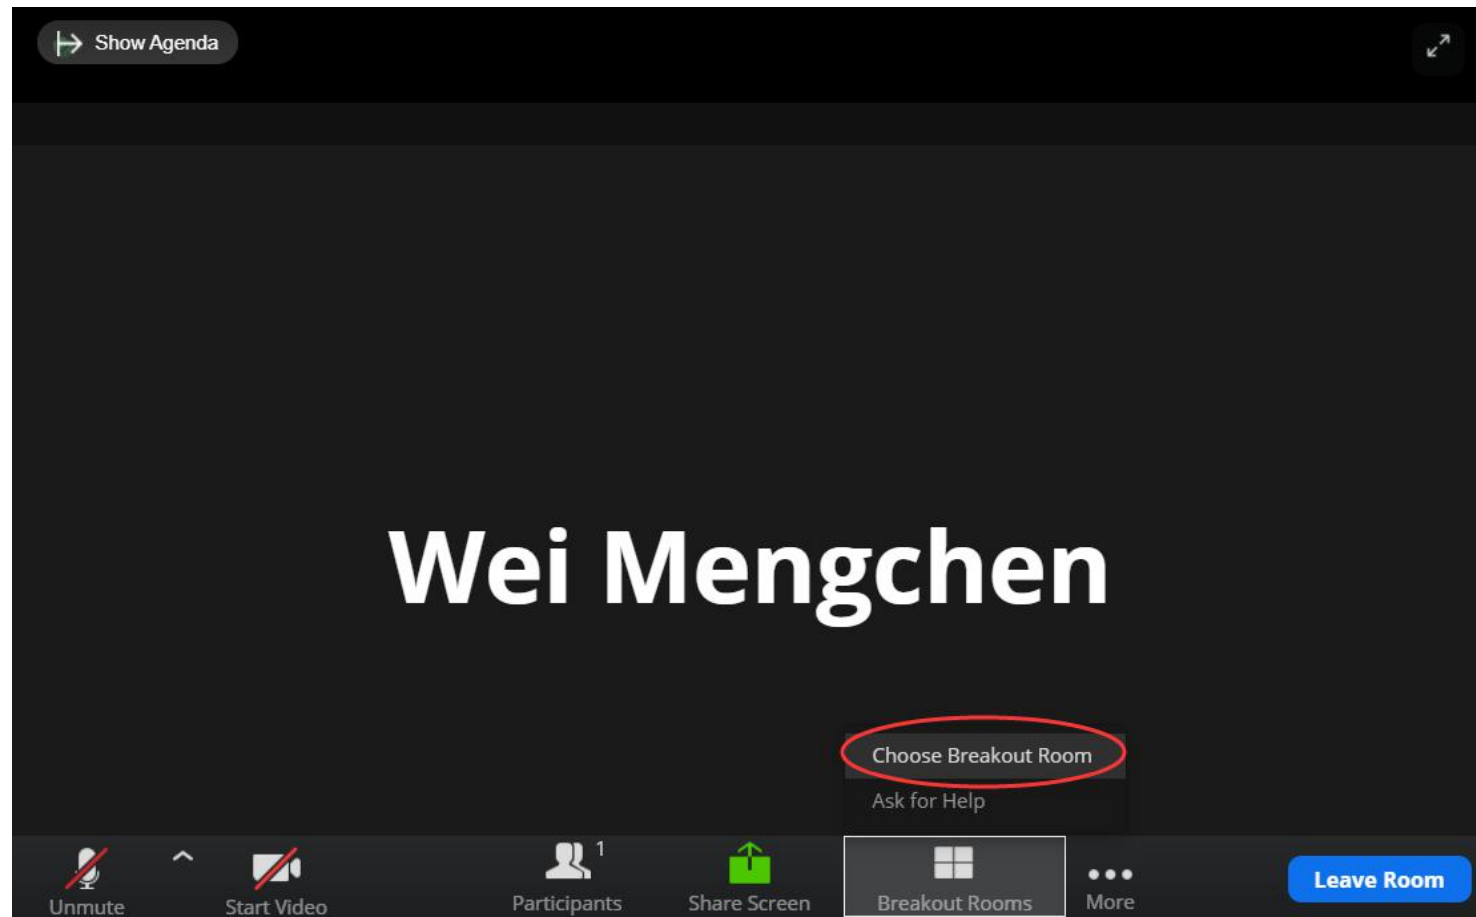

2. Communicate with Posters

When you enter the Poster Session on Whova Agenda, please click “**Breakout Rooms**” in the Zoom Meeting room and choose your assigned group to join in.

Assigned group name: e.g: **MO-1**, which means Poster Number.

If you want to go to other groups, you can click “**Breakout Rooms**” again and click “**Choose Breakout Rooms**” to enter other groups.
